1-150W 3-Way Edison Base

*Table Lamp, 24.5"H x 15"D*

The AF Lighting 8473-TL Sanjay Table Lamp is a unique combination of mixed mediums. It's crafted with hand blown clear glass and antique brass fittings, sitting on a square base, and the shade is hand crafted in faux croc in dark brown. This lamp uses a 150 watt three-way bulb (not included) and is so versatile for traditional settings. Due to hand-crafting and hand finishing no two are alike.
